

Throughout the years Vermont Christian Church has assisted the community in many ways. In both 2009 and 2014 they assisted the International Academy of Flint with a Thanksgiving dinner that fed community members and the homeless. Other partners include the Genesee County Jail Forgotten Man Ministries, the Food Bank of Eastern Michigan, and the Carriage Town Ministries homeless shelter.

Mr. Speaker, I applaud the long term involvement of the Vermont Christian Church D.O.C. in the community these past 70 years and their commitment to their fellow man.

**HONORING SAINT BRUNO PARISH
ON ITS 90TH ANNIVERSARY**

HON. DANIEL LIPINSKI

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 29, 2015

Mr. LIPINSKI. Mr. Speaker, I rise today to honor Saint Bruno Catholic Church, an exemplary Catholic parish at 4751 South Harding on the southwest side of Chicago, which is celebrating its 90th anniversary.

Founded on September 12, 1925, St. Bruno's mission has remained the same: proclaiming the Gospel of Jesus Christ, caring for the poor, the sick, and the elderly, educating children in the faith, and celebrating the sacraments. The parish first carried out this mission as a place of worship for Polish immigrants. Father Alexis Gorski presided over the first Mass at St. Bruno's.

Today, Father Antoni Bury is pastor and the parish is home to a diverse population with Masses offered in English, Polish, and Spanish. All parishioners, irrespective of their ethnicity, come together and work to live their faith and improve their community. St. Bruno's also has a parish school led by principal Colleen Schrantz.

On Saturday, October 3rd, St. Bruno's will be celebrating its 90th anniversary with a Mass presided over by Bishop Thomas J. Paprocki. Bishop Paprocki is the nephew of the first parish priest, Fr. Gorski.

Mr. Speaker, I ask my colleagues to join me in recognizing St. Bruno Catholic Church and all its parishioners as they celebrate their 90th anniversary. May St. Bruno's continue to live out its mission of faith in service to God and others.

HONORING DUSTY SHULTZ

HON. DAN BENISHEK

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 29, 2015

Mr. BENISHEK. Mr. Speaker, I rise today to honor Dusty Shultz, superintendent of the Sleeping Bear Dunes National Lakeshore upon the occasion of her retirement on November 2, 2015, after 42 years of service, including 14 years with the Sleeping Bear Dunes National Lakeshore in my district in Northern Michigan.

Ms. Shultz has had a long and industrious career with the National Park Service. Ms. Shultz's interest in a career with the Park Service began early. Following an opportunity to attend an Allegheny Portage Railroad National Historic Site near her home in Central Pennsylvania, Ms. Schultz remained in touch with contacts at the event and was hired by the service upon her high school graduation.

After a long and distinguished career with the National Park Service, Ms. Shultz was appointed as Superintendent of the Sleeping Bear Dunes National Lakeshore in August of 2001. Under her leadership, she worked with local residents, landowners, local communities, and the National Park Service to rework the plans for the general management plan of the lakeshore.

I was honored to work with all stakeholders, including Ms. Schultz, to pass legislation that codified the new general management plan that garnered tremendous support in our local communities. I was happy to sponsor the "Sleeping Bear Dunes National Lakeshore Conservation and Recreation Act," which was signed into law by President Obama on March 13, 2014. This legislation ensures that the park will remain both protected and accessible for generations to come. Ms. Schultz played a key role in ensuring that the balance of accessibility and conservation in the park was maintained, and stakeholders from around our local communities have praised her efforts.

On behalf of all residents of Northern Michigan, I wish to salute Ms. Shultz for her many years of dedicated service to the National Park Service, and the citizens of the United States.

**CELEBRATING CHILDREN'S CAR-
DIOMYOPATHY AWARENESS
MONTH**

HON. DAVID SCOTT

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 29, 2015

Mr. DAVID SCOTT of Georgia. Mr. Speaker, I rise today in recognition of the second an-

nual Children's Cardiomyopathy Awareness Month. Cardiomyopathy is a chronic disease of the heart muscle that affects the heart's ability to pump blood. The disease can present in different forms and may, in severe cases, lead to heart failure and/or sudden death. The goal of this Awareness Month is to provide information and resources to help identify more at-risk children to prevent sudden death.

Knowing your family cardiac history is essential to preventing premature death. There is no low-cost diagnostic test that can quickly detect all forms of cardiomyopathy. A discussion of your family's heart health with a geneticist, cardiologist or pediatrician can help assess your child's risk for cardiomyopathy.

The Children's Cardiomyopathy Foundation works to raise awareness for serious cardiac conditions and provides resources and supports to families struggling with the reality of discovering that their young children have critical conditions. CCF's work to bring attention to this issue and encourage better detection, prevention, and treatment for patients is important, and I thank them for these efforts. I invite my colleagues to join me in congratulating this organization's lifesaving work.

**HONORING THE DEWALT MECHLIN
CHAPTER OF THE NATIONAL SO-
CIETY OF THE DAUGHTERS OF
THE AMERICAN REVOLUTION ON
ITS 100TH ANNIVERSARY**

HON. DANIEL LIPINSKI

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 29, 2015

Mr. LIPINSKI. Mr. Speaker, I rise today to honor the Dewalt Mechlin Chapter of the National Society of the Daughters of the American Revolution which is celebrating its 100 year anniversary. I appreciate all the hard work the Dewalt Mechlin Chapter has done to assist the community through their service.

The NSDAR's mission is "to promote historic preservation, education and patriotism." For a century, the Dewalt Mechlin Chapter has excelled at fulfilling this mission.

The Dewalt Mechlin Chapter was organized by Minnie MacFarlane Prince and eleven charter members. Their first meeting on December 6, 1915, was held at the Ridge Park Field House. Mrs. Prince, as founding member, chose to name the chapter after her patriot ancestor, Dewalt Mechlin. The chapter placed its first historical marker in the Beverly/Morgan Park community and has continued to preserve history with historical markers in order to promote education.

The Dewalt Mechlin Chapter has a long history of community service. In both the First and Second World Wars, they assisted with the war effort by operating a Red Cross Shop and contributing to relief efforts. During the Second World War the organization invested in war bonds, urged membership in the Red Cross, recruited blood donors, and donated generously to veterans' hospitals in Chicagoland. This service continues with the chapter supporting veterans, recruiting blood donors, donating money and gifts to the veterans hospitals, supporting the Red Cross, serving as election judges, working to encourage voting, marching in the Beverly Memorial

Day parade, donating food and clothing to needy families, and many other activities that enrich the community. The Dewalt Mechlin Chapter is particularly proud of its involvement in community education, particularly through its support of the Good Citizens and ROTC programs.

Mr. Speaker, I ask my colleagues to join me in recognizing the women of the Dewalt Mechlin Chapter of the National Society of the Daughters of the American Revolution for all they have done over the past century. They have done a tremendous job and I wish them all the best.

HONORING OUR ALLY THE REPUBLIC OF CHINA ON THEIR NATIONAL DAY

HON. MIKE BISHOP

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 29, 2015

Mr. BISHOP of Michigan. Mr. Speaker, I take the floor today to honor our ally the Republic of China (Taiwan) on their National Day. Since World War II, the United States and Taiwan have had a very close relationship and friendship.

The United States and Taiwan enjoy a long-standing relationship that stems from our shared values: democracy, the rule of law, and free enterprise. Not only an important security partner, Taiwan is also a strong economic partner—in fact, our 10th-largest trading partner of the United States, and the 5th largest export market in Asia of my representing state—Michigan.

Taiwan always shares America's democracy, freedom, and awareness for human rights. To protect these values, the United States has willingly supported Taiwan's security over the years. We have provided Taiwan aircraft, vessels, vehicles, technology, and many other necessities to protect themselves. In addition to self-defense, these tools are being used to demonstrate that Taiwan is our security partner in the Asia Pacific region.

Many Americans believe in a strong U.S. relationship with Taiwan. I would like to see the continuing support for Taiwan and policies that would promote our relationship going forward.

RECOGNIZING PAIN AWARENESS MONTH

HON. KATHLEEN M. RICE

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 29, 2015

Miss RICE of New York. Mr. Speaker, I rise today in recognition of Pain Awareness Month, which we observe each September to raise awareness for those suffering from chronic pain and to promote a greater understanding of pain management and treatment.

Pain is not only a debilitating medical condition that affects millions of Americans each day—it is also a serious strain on our economy and workforce. With an estimated annual cost of nearly \$600 billion in treatment and lost wages, our nation spends more money treating pain than almost any other disease, including heart disease, diabetes and cancer.

Unfortunately, chronic pain has long been viewed as a medical condition that can be cured with just a pen and prescription pad. But as we've learned over the past decade, this is simply not the case. Rather than curing or comforting individuals who suffer from chronic pain, the over-use of prescription pain medication can often lead those individuals only to deeper pain and darker despair. It's time that we as a country treat pain as the complex medical issue that it truly is and pursue real, lasting solutions for all those who suffer from it.

In an age of unprecedented medical advancements, it's absolutely critical that we begin making stronger investments in effective and safe methods of pain management and treatment, so that those suffering from chronic pain can be freed from their burden, return to work, support their families and live full, independent lives.

While Pain Awareness Month reminds us of the devastating toll that pain takes on so many Americans, their families and our economy, it's important that this month also serve as a catalyst for swift and comprehensive action to help those who are suffering right now in my district and in every district across the country.

He has additionally served on numerous other boards throughout the communities in which he has lived, including the Capitol Improvement Board and the National Democrat Club. I am blessed to have known Jay since 1983. He has been my friend for these many years, the type of friend who would be the last man standing if all others deserted you.
